OLD CREAMERY THEATRE'S

Character Lab

This year the Old Creamery Theatre is busy developing the perfect formula for good character by combining the Six Pillars from the Character Counts program: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship.

When you combine all these essential elements you get *Character Lab*, a brand new professional production your students will love! We hope you'll want to share these entertaining stories with great messages with your students this year.

All you need to host *Character Lab* is a performance area 25 feet wide, 20 feet deep and 10 feet high (your gym or auditorium would be ideal), plus a private dressing area for the actors.

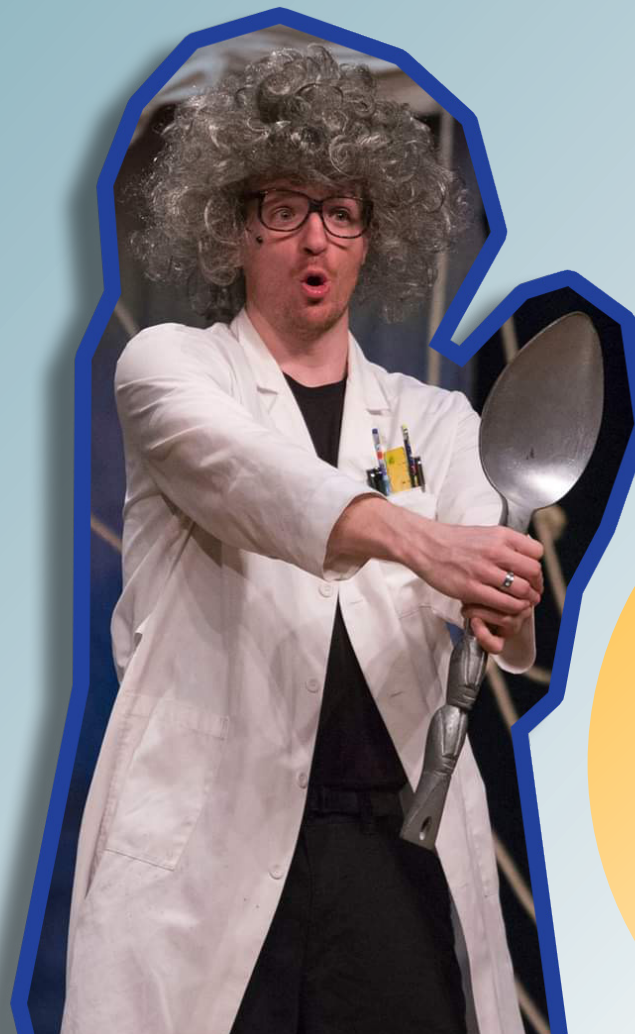

We do the rest!

Schedule your performance today!

Shows available from February 17 to May 15, 2020. Cost is \$625 plus travel fee. This production is designed for students in grades PK - 6.
